## GEORGIA GOLDEN OLYMPICS INTRODUCTION

The Georgia Golden Olympics is a statewide event, held this year in the City of Warner Robins, Georgia, for adults 50 years of age or older. The event provides an opportunity to participate in amateur sports competition, to learn new leisure skills, to discover that physical activity is for all ages, to meet new friends and to share good times. More specifically it is an opportunity to have fun!

A variety of activities are held to make it possible for participation regardless of an individual age or physical ability. Different age divisions and several levels of ability spread the competition out so there is truly something for everyone. (See Page 4: Age/Category)

For participating, individuals receive a certificate of participation, lunch, dinner and a Golden Olympic T-shirt. Medals are awarded for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place in each event and age category.

This manual is provided to assist you in training for this opportunity and to help you coordinate a local program in your community. We look forward to the day when this will be a year round program. The Georgia Golden Olympics Committee appreciates your interest and support.

One set is black, the other red. The players sit opposite each other and each arranges his checkers on the first three rows of black squares. Two rows in the center remain open.

The player with the black checkers starts by moving one of his/her checkers one space diagonally forward toward the red checkers. Then the other player moves a red checker toward the black. The checkers can only move forward on the black squares. The object of the game is to capture all of the checkers of the opponent, or to black their progress. If a red checker moves next to a black checker, the black checker can jump over the red checker if a space is behind the red. The red is removed from the board as the black goes deeper into enemy territory. More than one checker may be captured at a time. If a checker reaches the back line on the enemyøs side, it is crowned and becomes king. A second checker is placed on top of the king to distinguish it from the other checkers on the board. A king can move backward and forward one square at a time, except when it jumps over one or more checkers.

The 20K and 40K cycling, the hammer throw, pole vault, triple jump and the triathlon are considered õLIMITEDö events. (Georgia offers 20K, 40K cycling and the triple jump). The rules for qualifying for these events are as follows:

- 1. If a õLIMITEDö event is offered at the State Qualifying Competition in an athleteøs home state, the athlete must qualify for that event by participating in a State Competition and by satisfying the qualifying requirements for that sport for athletes who compete in a State Qualifying Games.
- 2. If a õLIMITEDö event is NOT offered at the State Qualifying Competition in an athleteøs home state, the athlete may qualify for that event by meeting the following criteria:
  - **a.** POLE VAULT: an athlete must submit verification of having met the NSGA minimum performance standards for pole vault in any USA Track and Field administered competition between January 1, 2010 and December 31, 2010.
  - b. Hammer Throw: an athlete must submit verification of having competed in two USA Track & Field sanctioned competitions between Jan. 1 and Dec. 31, 2010.
  - c. Triathlon: an athlete must submit verification of having completed two triathlons between Jan 1 and Dec. 31, 2010.
  - d. Athletes must submit to the NSGA office by no later than March 1, 2011, a Limited Event Verification form, available from the NSGA office, along with a copy of the official results or other public document illustrating the results.

#### B. **DOUBLES PARTNERS**

Badminton bowling, racquetball, table tennis and tennis doubles partners must be of the same gender. Note: Badminton, bowling, table tennis and tennis also have a separate mixed doubles event. Racquetball does not have a mixed doubles event. Shuffleboard doubles may be of mixed gender. All doubles and mixed doubles pairs will compete in the age division of the younger partner as of December 31, 2011. Athletes may compete with only one partner per event.

#### C. TEAMS

A maximum number of players may be added to team rosters following qualification in accordance with the chart below:

Basketball: 3 Volleyball: 4 Softball: 5

Any player or any player/coach must have been registered in a qualifying game in that sport to be eligible for addition to a roster. Documentation of player registration must be provided must be provided by the State Coordinator to the NSA. All other team and qualifying rules apply. Changes may not be made after March 1, 2011.

All registration and team rules apply to non-playing coaches, non-playing captains and non-playing bench personnel with the following exceptions:

- 1. Non-playing coaches, non-playing captains or non-playing bench personnel may represent no more than two teams in the same sport, each of which must be in different age divisions.

#### MINIMUMS ARE BASED ON PREVIOUS NSGA RESULTS

<sup>\*</sup>Original calculation was greater than 10% increase permitted. New MPS is exactly 10% greater than 2009 MPS.

<sup>\*\*</sup>Original MPS and/or original calculations were more difficult than a younger age group. New MPS is equal to the MPS of the younger age group.

<sup>\*\*\*</sup>This is not a change, but a correction to the rulebook.
